Confidential Financial Interest Certification for Special Government Employees Serving on NASA Advisory Committees

INSTRUCTIONS

This form is to be used as part of the annual update for Special Government Employees (SGE) who already have a Confidential Financial Disclosure Report (OGE 450) on file with NASA. It is not to be used for new appointments or re-appointments. The SGE must review a copy of the previously filed report, and certify that there are no changes in reportable interests, except as noted. If there is changed information, make sure to indicate under the "Acquired/Divested" heading whether the change is an addition or deletion of an interest which was previously reported.

A filer may always elect to file an OGE 450 rather than this form. For instructions on what constitutes reportable interests, and a copy of the Privacy Act Statement, please refer to the OGE 450 form.
